COMPLETENESS REVIEW FOR CALIFORNIA ACCIDENTAL RELEASE PREVENTION RISK MANAGEMENT PLAN SUBMITTAL FOR ANACAPA FRESH LOGISTICS, LLC, 5701, WEST GONZALES AVENUE, OXNARD, CA

The Ventura County Environmental Health Division (Division) staff reviewed the CalARP Program Risk Management Plan (RMP) for the Program Level 2 Anhydrous Ammonia covered process. Division staff has determined that the CalARP Program RMP submitted on **October 23, 2024** for the above referenced site is now complete.

Pursuant to Section 25535.2 of the California Health and Safety Code, the RMP shall be made available to the public for review and comment for a period of 45 days. This letter will be placed on this Division's website and will serve as notice stating that the RMP is available for public review. The RMP will be made available to any person or organization interested in reviewing the document at a location determined by this Division. All public comments received will be considered as part of the CalARP evaluation review.
